

# UNDER PRESSURE

Join in the fun processing and pressing the fruit found during the gathering and help turn it into a variety of local products. Just the way our grandparents did. Share stories, jokes and laughter as we get soaked in fruit juice.

**DIY fruit press building.**

**Simple, cheap containers you've never thought of.**

**Alternative brewing vessels.**

**Basic hygiene, do's don'ts and not bothering**

**Tasting, taking and composting!**
